

This certificate is presented in recognition of participation in and completion of:

Basic Principles of Design

A **5 hour** course on the Adobe Education Exchange.

Greg Hodgson

Greg Hodgson, Course Leader

Basic Principles of Design - Adobe Education Exchange

ADOBE EDUCATION EXCHANGE

Basic Principles of Design

Course Description

In the course you learnt how to understand the basic principles of good design, and how to create engaging classroom activities to help you teach across all content areas.

Learning Objectives

- Understand the basic principles of design, and learn what good design looks like
- Gain knowledge from experienced design professionals
- Experience relevant examples by Adobe Education Leaders and expert educators who are using creativity and Adobe products in their classrooms
- Apply this new knowledge to your own classroom context
- Get resources to help you create design-focused learning opportunities for your students
- Collaborate with educators from around the world.
