Digital Publishing with Your Students, Adobe Education Exchange

ADOBE EDUCATION EXCHANGE

Digital Publishing with Your Students

Course Description

The course explored the principles of digital publishing with Adobe InDesign. In the course you learnt how to apply your new digital skills to integrate digital publishing projects into your curriculum.

Learning Objectives

- How using digital publishing in your curriculum can produce positive outcomes for you and your students
- The basic technical skills to create your own publishing projects with Adobe tools (with support from expert digital media educators)
- How to apply your new skills to integrate digital publishing in your curriculum.
- Collaborate with educators from around the world
