Design Fun Apps with Your Students, Adobe Education Exchange

ADOBE EDUCATION EXCHANGE

Design Fun Apps with Your Students

Course Description

The course explored the principles of UX Design with Adobe XD. In the course you learnt how to apply your new digital skills to create practical UX design projects to use in your curriculum.

Learning Objectives

- Why creativity is vital for learning, digital literacy, and student engagement.
- How using Adobe tools to enhance creativity your curriculum can produce positive outcomes for you and your students.
- How to apply your new skills to integrate UX design projects in your curriculum.
- Collaborate with educators from around the world.
